South Shields Museum & Art Gallery Hazard Identification

Last updated 02/06/23

Please note:

- This is **not** a risk assessment, the group leader should carry out a risk assessment
- In the case of an emergency please contact a member of staff
- Tyne & Wear Archives & Museums highly recommends that group leaders conduct preliminary visits
- Group leaders should take the behaviour and ability of their group into consideration when compiling a risk assessment.
- It is the responsibility of the group leader to monitor the behaviour and safety of their group
- This Hazard Identification highlights the everyday risks that groups may incur. Please telephone South Shields Museum & Art Gallery on (0191) 211 5599 to enquire about possible building work taking place or hazards in temporary exhibitions.

Please note: columns 1 to 3 identify the Hazards, risks and controls put in place by the museums, column 4 highlights areas where schools should implement their own measures outside the control of the museum service.
